VP&CEO/MHADA
Date: 26th December 2012

OFFICE NOTE

It is seen that a number of requests/recommendations are received from political persons and people's representatives requesting for posting of MHADA officials in various posts. Most of these requests are for postings to Mumbai Slum Improvement Board. While such requests, made at the behest of such Officers, are liable for disciplinary action, in certain cases if sufficient grounds are cited, such are entertained.

However, in future no Officer who has served in the Mumbai Slum Improvement Board at any time, for any period whatsoever shall be posted to the Mumbai Slum Improvement Board again. Similarly, whilst considering postings to Mumbai Slum Improvement Board, a list of officers who have never served in the Slum Improvement Board during their carrer shall be prepared and thereafter postings shall be made only from such list. Only after such list is exhausted that repeat postings will be considered.

These directions shall be observed scrupulously.
